

What's new at CG&S? How about only the highest quality, lowest priced 3/8" strippers available? That's right...Corrugated Gear and Services, Inc. is pleased to announce that we are now making strippers!

Tired of strippers that are either too loose or too tight? The inconsistencies can bring about a lot of problems that end up costing you time and money. Our special manufacturing process provides for a perfect fit every time.

Our pricing will also impress you. Ask your account representative how you can cut your current stripper costs by up to 30%.

- **Manufactured to proper thickness for perfect fit**
- **Highest quality strippers available**
- **Extremely price competitive**
